

District 14-E Westmoreland County Newsletter

July 2024

Happy New Lions Year, everyone! A wise man once told me that the once you pass the Fourth of July, the rest of summer speeds right by. There are many ways to spend your time, but I want to take a moment to appreciate the time, effort, talent, and treasure that we ALL put forth in our pursuit of Lions service to our communities. Time is the greatest resource. It is of immeasurable value. It's a limited resource that should never be wasted.

To follow IPDG Amy's inspiring year of transformation, growth, and service, my hope is that we can continue to build on those successes. We are unique as a one-county Lions district. While our impact is regional and global, we are uniquely positioned to directly serve our own home communities in ways that truly make them better places to live.

Neighbors in Service, and my red trolley logo designed by PDG Chuck, are both intended to invoke a special Westmoreland County native, Fred Rogers. I'll share more about this when I visit each club, but here's a preview of what I would like for us to accomplish.

In addition to the Lions International goals to increase membership, service reporting, and solid support of the Lions Club International Foundation (LCIF), I am challenging each club of 14-E to partner with a nearby club to execute a joint service project to help support a community need. There are already notable examples of club partnerships – the Youngwood Slickville bingo, and the Murrysville Delmont car show, just to name two. A larger club could assist a smaller club in executing member recruitment efforts. A thriving club could assist a challenged club in conducting a public service project or fundraiser to help increase club visibility, impact, and exposure to potential new Lions. At the end of the Lions year, we'll be able to show how we've cooperated to multiply our work as "helpers."

I hope to see you at the Passing of the Banner on July 29th at Newhouse Park in Delmont. (Don't forget to RSVP to IPDG Amy Thompkins at amoose309@yahoo.com.) Thanks so much for your ongoing commitment to this mission, and for trusting me to serve this Lions year. Special thanks to the Level Green Lions Club for all your support!

Dear Fellow Lions:

HAPPY NEW LION'S YEAR!!! July 1st is DAY ONE of a brand-new year. And like during the traditional New Year back in January, July is a great time for all of us to reflect on the last year and celebrate our accomplishments. Did your club try anything new? Did you report your service projects? Increase your membership? Did you have to overcome any challenges?

The new International President's theme is "Make your Mark". The goal is to leave a lasting impact on our communities. As we go into the new year, it's a great time to think about what kind of impact we can make. Each of us can make a difference. Big and small. What can our clubs do? For some clubs, this is a slower time of year. A lot of people take a break, go on vacation and clubs may not meet as regularly as they normally do. This would be a great time for the new leadership teams to get together and assess and set goals for the new year. You can do a "S.W.O.T" analysis to determine your club's strengths and weaknesses and then determine what opportunities there may be as well as what threats may be encountered.

A great way to help set up your club for success is to follow the guidelines and requirements of **the Club Excellence Award**. The requirements of the Club Excellence Award measure what you have done in the areas of membership, service, leadership and organizational excellence, and marketing.

Let's take a closer look. To achieve this award, you need to meet these requirements:

Membership:

- Achieve a new growth of one or more members OR Charter a new Lions club or Club branch in the current fiscal year.

Service:

- Contribute to LCIF in an amount equal to or greater than the club's membership total multiplied by \$5. (club membership # X 5)
- Start a new service project.
- List three service activities your club participated in that were reported to LCI during the year

Leadership:

- Your club is in good standing (district dues paid, no unpaid balances with LCI greater than \$50 outstanding 90 days or more, not in status quo or financial suspension)
- Report club officers to LCI
- Have key officers participate in club officer training. PDG Chuck has this training scheduled for Monday, August 12th, 6PM (see his article later in this newsletter)

Marketing:

- Your club is publishing its service activities through local and social media.

These requirements are ALL very attainable! And you can go out to lionsclubs.org to look up various "tools for success" to help create and execute your plan. At the end of the year, the district team can help you complete and submit your Club Excellence Award application. A banner patch and pin will be awarded to the club president of each club who successfully accomplishes these requirements.

So, your first CALL TO ACTION (CTA) is to attend Club Officer Training next month. Even if you are a seasoned lion, I can guarantee you that you will learn something NEW during this training. As a seasoned lion, your experience and insights will be very important and insightful during this meeting and as we very much welcome your input! As a new lion, you will learn a lot about your new position, meet new lions, make new friends and get answers to any questions you may have.

Stay tuned for next month's article where we will dig deeper into DG's Jeff's theme "Neighbors in Service" and talk about what that means for you and your club.

Do you accept the challenge?

Dear Lions and Leos,
As you plant the seeds for this new Lions' year...

Prepare a Strong Foundation.

Always assess your "soil." If your club isn't rooted in solid ground, growth could be stunted, and any "seeds" (members) you try to plant (sponsor) may never sprout into active and happy members. What is your plan for success in the next month, next quarter, or the end of the year? Set your goals.

Remember What Inspires You.

Re-energize your "wilted" goals to reflect your values. What makes your members happy? By reviving your club's vision, your club can become a more visible and vibrant organization within your community.

Learn New Skills.

Our daily lives are constantly evolving. Boosting your knowledge can give your club the confidence and energy to expand its perspective and try new projects and meeting strategies. Continue your personal development and plant fresh seeds by attending zone meetings, training sessions, district and multiple district meetings, the USA/Canada Lions Leadership Forum, and by visiting the Lions Learning Center.

Maintain Your Momentum.

Although you sow the right seeds, inconsistent rain and sun may still cause your plants to wither and droop. However, with a well-informed plan that is firmly planted in place, it's much easier to regularly tend to your goals and keep your members happy and healthy.

Check In:

It's much harder to see the fruits of your labor when you don't care for your plants (members) regularly. Talk with your members frequently to gauge their satisfaction and make the necessary changes to improve your club's progress. Remember to include those members who can't attend meetings regularly.

Of course, best wishes as you "Make Your Mark" in your community and District 14-E this Lions' year.

Yours in Friendship and Service,
Cindy Gregg, PID

Fellow Lions,

I am looking forward to a great new Lions Year with District Governor Jeff leading the way!

Yes, you will still be hearing from me as I am your LCIF (Lions Clubs International Foundation) Coordinator for the District. So with that being said, please know you will be receiving information from me in regards to LCIF news and needs. I will be continuing the LCIF Big Board this year—remember, for \$10 per square, you have a chance of receiving a Melvin Jones Fellow (or a Progressive). I will also be reaching out to attend a club meeting to provide additional information on how important LCIF is to us, and to also ensure that all clubs have a Club LCIF Chairperson!! Sooo, if your club has not designated an LCIF Chairperson yet, please think on that and get them assigned before I get to you. The position is painless as you will receive information from me and LCIF and then simply convey it to your club members!

I also wanted to let you all know that LCIF raised **75Million** dollars this past Lions year to provide grants to those in need!!

I will have much more information when I return from LCIF Coordinator training which is scheduled for mid-August in San Antonio, Texas.

I am very excited to continue working with all of you this year!!

Yours In Service,

IDPG Amy

LEADERSHIP

Hello Lions,

Wow, where does the time go? July is here and summer is sizzling! I am hoping you all have a safe and fun 4th of July!

I would like to let all who made it out to the Zone Chair Training that I appreciated your attendance. I hope you all learned and took some interesting knowledge with you. I would like to thank PID Cindy Gregg for a great job presenting the training information.

I am keeping this month’s letter short, but want to give you a head’s up for the Club Officer Training. It will be held on **Monday, August 12th at 6pm at Hoss’s in Greensburg**. All club officers should plan to attend, however, the training is open to ANY and ALL Lions who want to attend to learn more about the positions of President, Secretary, Treasurer and Membership Chair!! Please plan to attend to share your knowledge with others so you all hopefully take away something new!!

Last year’s training goal was surpassed, and this year, I would like to have representation from **ALL** clubs!! Even if it is just one person from the club, that would be excellent!! This training will help you and your club grow in many ways. Please let me know if you will be attending. (724-989-8250 or chuckt309@yahoo.com) Hope to see you all there!!

Have a great summer & see you soon!!

MEMBERSHIP

GLOBAL MEMBERSHIP TEAM – BRING SOMEONE TO THE NEIGHBORHOOD

DISTRCT 14-E MEMBERSHIP

682 Members

District Membership stands at **682 Lions**.

The 2024-2025 Lions Year is upon us. Congratulations to DG Jeff Jordan for taking on the leadership of District 14-E.

How is your Club going to help increase membership in the District during the next Lions Year? How are you going to help increase the number of Lions we have Serving our neighbors?

It was not all that long ago that our District's membership stood over 1,000 Lions. A 300 plus membership drop in 10 years is a sign of trouble though and we need to work to reverse that number. Let us work to make this the year we turn things around.

Neighbors in Service

BRING SOMEONE TO THE NEIGHBORHOOD

Bring Someone was the idea introduced last year of bringing in new Members to Lionism. We will focus this year on bringing in those Members to our Neighborhoods. While our Clubs are part of and Serve the Neighborhoods we are from, we will focus on those Clubs as Neighborhoods in themselves and the bonds we have as Lions.

Neighborhood

Merriam-Webster defines Neighborhood as 1. A relationship, 2. The quality or state of being, proximity, 3. A place or region near, vicinity, 4. The people living near one another usually having distinguishing characteristics.

neighborhood noun

neigh·bor·hood (ˈnā-bər-ˌhüd)

District Governor Jeff Jordan will spend this year focusing on his Lions Theme of Neighbors in Service. While he will share his goals and focus projects for our District, we will focus here in the District's Global Membership Team (you are all part of that team) on our Neighborhoods in regard to Club and District Membership.

Make Your Mark – Shape our Future.

Fabricio Oliveria, was installed as our associations International President at the LCI Convention in Melbourne, Australia. He comes to us with the theme of Make Your Mark, which we will all learn more about in the weeks and months to come.

I enjoy a new Lions Year for the new theme that comes our way. I also enjoy reading or watching information about the new leaders and theme of Lions International. It gives us new ways to do what we have been doing already – Serving our Neighbors.

Reading up on IP Fabricio, I found that he has been a Lion since about 1985 – that's almost 40 years of Service.

“We Couldn’t Say No.”

IP Fabricio has a lot of thoughts to share on Membership in his theme but what I have found most interesting so far is about how he became a Lion. He and his wife, Amariles, were part of a social group that included people who were already Lions, so he knew the good that they did and what they stood for. Eventually the friends asked the Oliverias to join and “(they) couldn’t say no. These were our close friends. And I saw something special in Lions, and an opportunity to give back to the community that had been so good to me.”

Make the People You Ask to Be Lions Unable to Say No

Are you sharing the good that you do as Lions with your friends and neighbors? Are you telling them the changes in peoples lives that our service makes as part of our Lions Clubs? Make sure to sell Lions in a way that makes the people you ask to be Lions unable to say no.

We are sometimes guilty of complaining about things we do. Do not let this happen when you talk about your time in your Lions Club and in the service projects that you do. This negative talk gives people a bad image of what we are all about and might make them not want to join. If there are things that exist in your Clubs that can be conceived as negative, these are the things you should look at and work to address. This goes a long way in helping to retain members in our Lions Clubs as well.

Questions and Answers

Q: Who will we be sharing our service with as Lions this year?

A: Our Neighbors. We have been doing service as neighbors for a long time. We will focus on our Membership efforts with our neighbors this year – those who are already in our Clubs but also those neighbors that we can bring into our Clubs.

Q: When asked to be a Lion, should we take No as an answer?

A: If we are selling our Lions Clubs properly people, we see the good that we do. They should be excited when they are asked to join and want to join. If we hear No, this does not mean the person will never join. I said No a few times when asked. Keep the people you ask informed about what we are doing and in time ask them again. They might say Yes.

SERVICE

On behalf of International President Dr. Patti Hill and Lions International staff, we thank you for your achievements this Lion year leading impactful service projects, engaging members and non-members and raising awareness of how Lions meet humanitarian needs with kindness every day.

Make sure your club's service is included in our global legacy by having your activities reported before the July 15 deadline. More information can be found on our [Service Reporting webpage](#).

When considering service for the next Lion year, you can find new resources on childhood cancer and diabetes from the [Ways We Serve webpage](#). The new resources highlight how Lions and Leos serve globally and how that service connects with the United Nations Sustainable Development Goals.

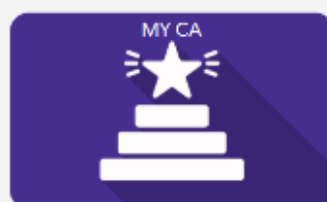

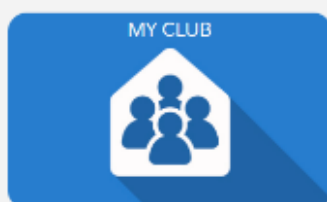

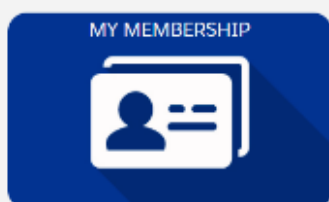

Another idea for next year is to participate in *Celebrate Community*. Reach out to a nearby Rotary, Kiwanis or Optimist Club and start planning a joint service project for the week of September 8-14. It's a great way to multiply service benefits within your community.

For assistance in planning projects, check out the [Service Project Planners webpage](#), with 21 activity-specific planners and a new general and customizable *Serving Your Cause* planner for any service activity.

I would like to thank all the Club Service Chairpersons who made this year a great success. I would like to thank PDG Amy for her efforts in the book drive and video game units for the Hersey Medical Center. Now that we kind of figured out how to report on the new Lions portal, we should have every club report every service that we provide.

Don't forget to report your new club service chairperson.

Thank you
PDG Charlie McGrew

I spy with my little eye...

This is fun news! There is a sticker on the Jared box lid that says that the box was made by Lion's Club District 14-E. So a mom of a little boy who received one of these boxes during a trip to the ER forwarded this message to Cindy Kolarik, Executive Director of The Jared Box Project.

"My son was SO excited about his Jared box! It made our ER visit exciting and less frightening. I was amazed by the generosity and difference it made! We'd love to help spread the word. We were at Independence Health System in PA. I really can't express how excited he was! Thank you again." - Becca B

Becca, along with her son and daughter plan to go shopping to create 2 new boxes that she hopes to donate back to the hospital as a way of giving back!

Women and Families & Literacy

What a wonderful time to celebrate Independence Day, which takes place on the 4th of July. This well celebrated holiday is in honor of the day the Declaration of Independence was signed in 1776. This must be kept in mind as we enjoy cookouts, parades, family, and fun. This is a perfect time for parents to create a family activity to teach their children the prices paid for freedom. It is also a wonderful time to reinforce guidelines concerning freedom, which comes with accountability and responsibility.

As I was drafting this article, I kept thinking back to how we sang familiar songs associated with our independence as a nation. We learned all the words and most people my age can sing them by heart today. My favorites were, "My Country Tis of Thee, The Star-Spangled Banner, and America the Beautiful." This is another reason I am proud to be a member of the Lions, to begin each meeting honoring God and our country and pledging service to others.

Here are ideas on how you can celebrate a safe and happy holiday with your family while honoring the true meaning of Independence Day!

1. Invite a veteran to your family BBQ and make it an Independence Day Theme.
2. Schedule a family outing, pack a picnic lunch and stay for a fireworks display. (Fireworks became a trendy way to celebrate national prosperity and patriotism.)
3. Have the camera ready and capture moments of your celebration and make a scrap book of your memories.
4. Search the web or community calendar to see what other activities are going on in your community.
5. Look up safety rules and laws for home firework use, prior to your celebration.

In closing, do not forget to thank any veteran for their service to our county! So, on that good note I will end with famous quotes, "Those who won our **independence** believed liberty to be the secret of happiness." "With freedom comes responsibility." "Where liberty dwells, there is my country." "We must be free not because we claim freedom, but because we practice it." Accessed from web: <https://redbookmag.com> 6-30-2024.

Thank you for helping us serve!

In 1948, Lion Carl Shoemaker helped found Vacations for the Blind, a summer camp designed for adults with vision impairment. Since then, the name was changed to PA Lions Beacon Lodge Camp. The program has also changed to include children and adults with a wide range of disabilities. By providing a sponsorship or joining us at the American Legion Country Club, you will be helping us continue our mission of providing a summer camp experience to our statewide community of Adults and Children living with Special Needs

Western Pennsylvania Lions Hearing Foundation Fellowship Application

Offering Support Through The Fellowship Program

The Western Pennsylvania Lions Hearing Foundation Fellowship has been established to help provide funding for the continuance of providing hearing aids for individuals in need. By naming a person a WPLHF Fellow your contribution goes toward helping those with hearing challenges be able to once again hear and communicate with the world around them.

For a \$250.00 donation the recipient of the fellowship will receive a lapel pin and plaque indicating them as a fellow. The recipient of this award need not be a Lion. Anyone who supports the process of improving hearing can be honored with this award.

The application can be found in the Newsletter Email. Just scroll down and find the block that says “Western PA Lions Hearing Foundation Fellowship Application” and click on it.

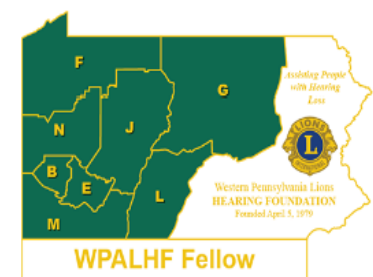

If you wish for a copy to be emailed to you, please reach out to PDG Lance Remic or myself at the following emails:

Lremic@hotmail.com | lisgis67@gmail.com

Offering Support Through A Donation

Financial support from contributors, like you, is the Foundation's only source of funds. Your contribution can help ensure that there will be adequate funding to continue providing service for deaf and hard of hearing individuals. The Foundation will also accept donated hearing aids.

If you, your Lions Club or organization would like a presentation or if you are interested in making a donation contact the chairperson (director) in your Lions District.

**DIABETES:
AN IMPORTANT CAUSE**

With the support of Lions Clubs International Foundation (LCIF), Lions worldwide are working to reduce the prevalence of diabetes and to improve the lives of those living with diabetes.

Researchers are projecting that 1.3 billion people will have diabetes by 2050 worldwide, the Washington Post reports. This would be more than double the current number — a looming epidemic that would mean increased societal and health costs as the chronic condition can lead to vision problems like diabetic retinopathy, heart issues, kidney failure, and a whole host of other problems. Diabetes is an epidemic that touches every corner of the globe.

Lions International and LCIF are dedicated to empowering Lions and LEOs around the world to fight diabetes by serving their communities one by one.

**ABOUT LIONS
INTERNATIONAL**

Since 1917, Lions Clubs have served with uncommon kindness, putting the needs of neighbors, communities, and the world first.

With over 1.4 million members around the world, and 50,000 clubs in more than 200 countries and regions, the Lions are the world's largest service organization.

The Lions mission is to empower Lions clubs, volunteers, and partners to improve health and well-being, strengthen communities, and support those in need through humanitarian services and grants that impact lives globally, and encourage peace and international understanding.
