District Governor's Message

My Fellow Lions,

I hope everyone had a wonderful Easter and was able to enjoy time spent with family and friends while remembering those not able to be with us. The month of April is now upon us and with it brings the joys of Spring—flowers blooming, birds chirping, etc---the changes from winter being reborn again. This also brings a very busy time for us as Lions as we begin to plan our spring and summer fundraisers, service projects, and a new Lions Year!

I have been very busy planning our Spring Rally which will be held at the Lamplighter on Saturday, April 13th. We will hold elections, have our last Cabinet meeting of the year, enjoy great food and fellowship with each other while honoring the Lions we have lost over the past year, and then coming together with a fun team building activity led by VDG Lisa Gismondi. I am looking forward to the presentation by Lion Ashley Grimm with a wrap up to the District Book Drive & Child Life Program. We are also fortunate to have International Director Bob Lee and his wife, Lion Pam from Hawaii sharing time with us. I am sure his message will provide us with additional inspiration to keep us moving forward in Lionism. ID Bob, PID Cindy and myself will also be presenting a few special awards as well. Then to wrap up the day, we will be packing 280 Jared boxes to be given to four local participating hospitals in Westmoreland County. The day will be jammed packed with great fun, and I hope to see many of you there throughout the day!

The time has finally come...if you are not already aware, the new Lions Portal is being rolled out in mid-April. Soooo, if you have reporting to do, get it done before April 12th as ALL access will be cut off, and then slowly rolled out in waves so that by mid-May everyone will have access to utilize the new portal! These will definitely be exciting times ahead of us—please do not panic as training will be forthcoming, so keep your eyes out for notices!

The District Duck Race will be held on Sunday, April 21st at Yukon Lions Field—come on down to Yukon to support their club by attending their pancake breakfast and then watch the little yellow duckies float down Sewickley Creek! Remember to get all ticket stubs, money, and any unsold tickets (hopefully there are not many unsold) to me as soon as possible as I need them prior to the race!

Exciting Grant Updates!! First, the check was received from the Lions of PA Foundation (LOPF) and I have met with Delmont Walmart and have placed orders for Nintendo Switch Systems, games, and cases! As soon as they arrive, PDG Chuck and I will make arrangements for delivery to the Hershey Medical Center!

Second, the Lions Clubs International Foundation Community Impact Grant was approved for \$3319, and items have been ordered and materials printed that are needed to complete the Jared Box Project! Third, the LOPF grant made possible for the District Care-A-Van to purchase two new vision screeners (to be used in addition to the two we currently have, and they have arrived!! PDG's Tom Gregg, Sam Snively & Chuck Thompkins will be holding trainings, so be sure to reach out to them to schedule your training soon!! Lastly, I have submitted another grant for review and approval to LOPF for a matching grant of \$5000 for water rescue gear for the Tunnelton-Conemaugh Township Volunteer Fire Department's Water Rescue Team! I will keep you posted on this.

Don't forget to get your club's District Donations sent in so distributions can be made timely!

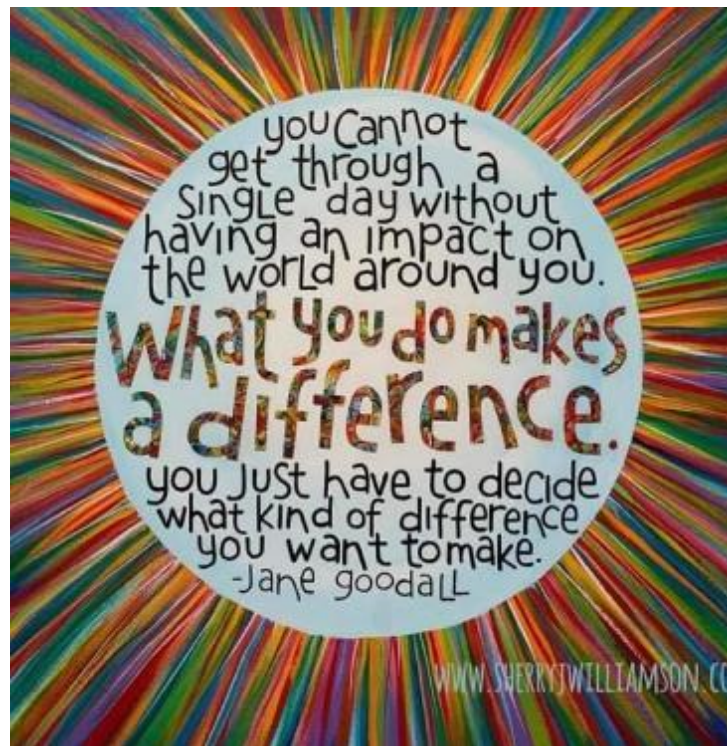

Please watch for notices from your Zone Chairs and GLT for your last Zone Meeting, and other additional trainings being held before the year's end!!

Keep working on increasing your membership!

Second Vice District Governor Message

Fellow Lions:

April Showers bring May Flowers! And boy, it's going to be a very "flowery" month of May with all this rain we've recently received. And while the recent rounds of rain have caused a lot of flooding and headaches for several of our communities, there is definitely a silver lining in all those clouds that blanketed our great District. Did you know that these recent rains added close to TWO BILLION gallons of water to the Beaver Run Reservoir in Washington and Bell Townships? The water levels at the Reservoir rose 6 FEET!!! Earlier this year there was a mandatory water conservation order in effect due to the dangerously low levels that were in play.

As Lions, one of our global causes is the Environment and there are so many different things that we can do in way of various service projects to help bring awareness, education, and advocacy to our communities.

Not only does April bring showers, it is also that time of year for Pancake Breakfasts and Chicken BBQs! (Be sure to support your neighboring clubs by attending their breakfasts or pick up some BBQ for yourself or your family! It's a win-win!)

Why not create some flyers to pass out at your upcoming events with ideas on how your communities can be better stewards of the environment around them. Or maybe invite your community to bring their ideas to an upcoming Lions meeting and together you may be able to brainstorm a service project that you can **ALL** do together! One of the best ways to recruit potential new members is to invite them to come do a service project **WITH** the club! Let them get involved and see, firsthand, that we are more than just pancakes, brooms and BBQ! **WIN-WIN-WIN!!!** When you are out there in your community, be sure to take pictures and share them on social media.

Use the hashtag **#LionsGoGreen**.

And finally, April is the sign that we are now in the final quarter of this Lion's year. There are still 3 months left to finish strong. As elections take place and new officers are being elected, current officers should use this last quarter to start preparing and mentoring their replacements. Do not just assume that they know what they need to do, or how to do the job. Meet with them or let them shadow you during these next couple of months so they can start to get comfortable in their upcoming role and can ask questions along the way. Encourage them to also make the position their own and support changes or new ideas that may have going into next year.

To all current and past presidents: The District is leaning on you for support in our efforts to build our leadership team at the district level. Need a change of pace or curious about trying something new? Or do you see a member in your club with a lot of potential that has a bright future with District 14-E? If so, please attend the upcoming Zone Chair Training/Information Session. (watch for an upcoming announcement).

Hoping to see some new faces at our upcoming Spring Rally!

Peace & Love,
Lion Lisa G

Dear Lions and Leos,

Preparation is underway to begin rolling out the new Lion Portal. Here is some important information to prepare you for launch.

Phased rollout for Lion Account Users

Our target launch window is April 15 – May 13*. During this time, all current Lion Account users will receive an email inviting them to access the new Lion Portal**. We're doing this phased rollout to ensure staff are available to provide the best support possible and offer you a positive introductory experience.

- Now – April 11: MyLion, MyLCI and Insights will continue to function as normal.
- April 12 and beyond: MyLion, MyLCI and Insights are no longer available.
- April 15 – May 13: Invitations to access the new Lion Portal sent via email on a rolling basis to existing Lion Account users.
Please note: User permissions will not change. In other words, those who can report service, access member data and other key functions remains the same.
- May 13 and beyond: All visitors attempting to access the previous digital tools will be automatically redirected to the new Lion Portal.

*Dates are subject to change. Our number one goal is to create a positive experience for Lions and Leos. If determined more time is required to ensure the product is in an optimal state, the dates may be adjusted accordingly.

**If you don't see the email in your everyday inbox, please check all spam and junk folders for it first before contacting Member Support.

Note that the new Lion Portal will require a unique, unshared email, and phone numbers will no longer be supported as a log in credential.

Information and resources

Be sure to visit lionsclubs.org/portal-updates for the latest information and resources, which includes handy how-to videos for help accessing the new portal once you've received your Lion Portal invitation email.

We appreciate your support and thank you for your continued service as we prepare for the new Lion Portal – together.

Sincerely,
Sue Ben
Chief of Technology
Lions International

Dear Lions and Leos,

As we approach the final months of this Lions' year, I ask that your members and your club plan to donate to our Lions Clubs International Foundation (LCIF). So far this year, we have had 181 disasters, amounting to \$140 million that LCIF has distributed. That doesn't count last weekend's tornado that devastated Logan County, Ohio, as well as areas in Indiana, Kentucky, and Arkansas. Unfortunately, disasters are expected to increase by 40% in the next few years.

In addition to disaster relief, through February, LCIF provided nearly 10 million cataract surgeries and educated nearly 20 million students through our Lions Quest program to help them make wise choices, to curtail bullying, and to stay off drugs. The LCIF funds have also financed diabetes and childhood cancer projects and aided refugees and those fleeing from their homes during these immensely challenging times.

In addition, our Foundation provided 14-E with a District and Community Impact Grant to subsidize the Jared Box Project for this year's Spring Rally. So, PLEASE consider donating: \$5, \$10, or whatever you can afford.

In the words of Canadian hockey goaltender Maxime Lagacé, "Life gets better when you give, just for fun."

Thank you for all that you do to "Change the World."

Yours in Service,

Cindy Gregg, 2023-2024 LCIF Coordinator

Logan County Ohio Tornado Relief and Recovery

Ohio Lions District OH1 has partnered with the Logan County United Way to support the relief and recovery efforts taking place after the EF3 Tornado on March 14 which flattened the communities of Russells Point and Lakeview, Ohio, as well as causing extensive damage in surrounding rural areas.

If your district or clubs are interest in making a donation, Tax deductible donations can be made at: www.uwlogan.org, the web address for the Logan County United Way, a 501(c)3 charity.

*If you want your donation to be credited to the Lions Organization, after entering your name as listed on your credit card, add a dash and a Lion label. Examples could be: **Jane Doe – OH4 Lions** or **John Doe – Pennsylvania Lions**. The Logan County United Way Donation system automatically issues a receipt for tax purposes and can sort donations based on key words; hence, the need to add **Lions** to the name of the donor.*

*If you or your club wish to donate by check, use **District Lions OH1** on the designation line and add **tornado relief** on the memo line. **Mail checks to:** PDG John Davis, 933 Thornapple Lane, Findlay, Ohio 45840. If your check does not identify your club, please add a note with that information.*

The relief and recovery process is well underway, and the local community has stepped up admirably. However, this will be a long and difficult process and organizations like Lions will play an important role in supporting those affected as they work to overcome this terrible blow.

DG OH1 Deb Crawford

Global Action Team

Happy Spring, Lions and Leos,

A lot of exciting events are taking place in April! First, we have our Spring Rally with International Director Bob Lee and his wife Lion Pam, from Hawaii. Have you made your reservations to meet them, to vote for next year's district officers, and to assemble Jared boxes for pediatric patients? In addition to these activities, some of our Lions will be receiving Lions Clubs International Foundation (LCIF) Presidential supporter pins. In fact, one lucky winner of the "LCIF Squares" will be recognized with a Melvin Jones Fellowship.

On April 21, the district will once again sponsor the Duck Race for Beacon Lodge. Because state funding was stopped years ago, our camp is struggling to meet the ever increasing costs associated with running the camp. Of course, our campers look forward to their "vacation" each year and the opportunity to be with the many friends they have made at their beloved camp. Please come to support this project.

Likewise, April 22 is Earth Day. Our International President, Dr. Patti Hill is especially interested in improving the environment. So, how will your club celebrate this special day? Will you have a road cleanup, beautify the entrance to your community, have a recycling event, clean a cemetery, or plant trees at the park? This would be a great time to invite potential members to help with your project. Maybe they might decide to join your club. However, PLEASE report your project.

In addition, there are several Pancake Breakfasts, Chicken Barbeques, and other events. So, check out the newsletter to plan your monthly activities.

Finally, has your club held a Membership Event this year? We still have 13 weeks to reach our district goal. Remember that membership is everyone's responsibility, but we need to ask! After all, each of us must find our replacement to ensure that our clubs will continue to improve our communities long after we are gone because without our clubs' help, many more individuals would struggle to survive.

As always, thank you for "Changing your community and the World."

Yours in Service and Friendship,

Cindy Gregg, PID (2013-2015)

TRANSFORMATION

Fellow Lions,

Spring is now here. I hope your Easter was filled with fun and you enjoyed your families. Another month has passed, and a new one begins.

I would like to hope you Lions are planning or thinking about seeking out future leaders in your clubs. Leadership roles for the next year is coming soon. Please get your PU101's in so I can work with the incoming District Governor to plan my club officer learning sessions for next year.

I am currently planning to have a Zone Chair Training Session before the end of the year. This training will be open to ALL Lions—I strongly encourage you to attend in order to learn more about this role—it would be fantastic to see each club represented! By attending this session, you will learn how and why Zone Chairs are a key position that is desperately needed in our District! As a Zone Chair you will have an opportunity to learn about other clubs in our District and grow as a Lion. Lions, I know you all have a 'diamond in the rough' or two or three in your clubs. Don't hold back, uncover them and let them come out and shine!

Leadership is an important part in keeping this organization afloat. I challenge you and your club to try something new. Try shadowing a current leadership role in your club. This could lead to new faces filling positions this year which could bring new ideas and new life to your clubs. I would be very pleased to see some new faces in club leadership roles this upcoming year.

Just like the weather, change is going to happen sooner or later, and we all have to learn how to adapt and go on. So, if you're wanting to move up or step up into a leadership role, come to the Zone Chair training to see if the glass slipper fits. Like Cinderella, dreams do come true. I believe that there is a spot outside the club level for you. District level Lions have a great opportunity to grow and learn more about Lions. If you would like to learn more, please attend the trainings or reach out to me personally.

Before I end, I would like to encourage you to show your support for other clubs by attending their events. And reverse that, invite other clubs to attend your events as well. Work together, and become stronger, visible and recognized in your areas.

Like always, my help is only a phone call away.

Yours In Lionism,

GLT/PDG Chuck

GLOBAL MEMBERSHIP TEAM – **BRING SOMEONE**

DISTRCT 14-E MEMBERSHIP

691 Members

District Membership stands at 691 Lions.

The number of Lions in our District is compiled by the data entered by our Lions Clubs. The correctness and clarity of this data plays an important part in keeping all aspect of our District properly connected.

Please make sure the accuracy of your reporting is as complete as possible. Check back on data that you have entered to be sure your membership reporting information is correct.

Congratulations to the Membership duo of PDG Mary Ellen and Lion Duane Miller for each working to sponsor a new member in March. Keep up the good work.

The following Club increased membership during March:

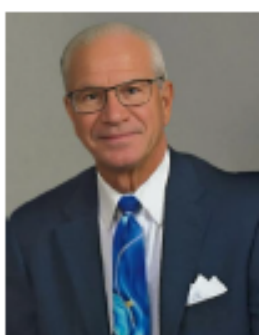

Latrobe-Derry +2

BRING SOMEONE

Bring Someone is the idea of bringing in new Members, orienting Members in what Lionism is about, and constantly engaging Lions so that they feel a sense of satisfaction through Service and Leadership so that their Membership is retained.

Bring Someone – Back to Life

Well mistakes can be made and in this case I'm glad to say I was wrong. Last month as part of my GMT reporting I shared in the newsletter the passing of Monessen Lion Timothy Billick. Good news. He has not departed from our Lions Clubs here on earth. After a phone call we have found that Tim is doing well and may or may not have been in Florida when the March Newsletter was sent out.

Now I get the data for my reports for myLCI and

that information is kept up to date by the officers of the Clubs and the District. During February something was entered incorrectly, and Tim was removed from the roster of his Lions Club. I ran my report for the newsletter last month and was saddened to learn of what I thought was Tim's passing. I am glad to know that he is still with us and never went anywhere.

With a couple phone calls to LCI we have seen Lion Tim's service record restored.

Membership – Reporting Accuracy

Our Lions Clubs officers need to work to effectively report membership data. From the time a Lion joins, it is important to have correct member analytics in order to increase communication with the member and enhance the member's overall experience as a Lion. As a Club secretary myself, I have always encouraged other Club secretaries to review their Clubs roster from time to time. Has someone moved? Do they have a cell phone number? How about a new email address? Work to update this information as you are made aware of it each month.

LCI will also signal a member's data as being missing or incorrect. If attempts were made to email or mail something to a person and it was returned to LCI a banner will appear on the person's member data indicating it is wrong or

missing. Work to fix these right away so the member receives correspondence from Lions International.

Member Data Editing

Most member data such as mailing addresses or email addresses can be entered or edited in myLCI. Data like a member's name can be changed or updated too, but it requires entering the request for the change along with a reason why. An email will be sent, and the request will then be handled by staff at Lions International.

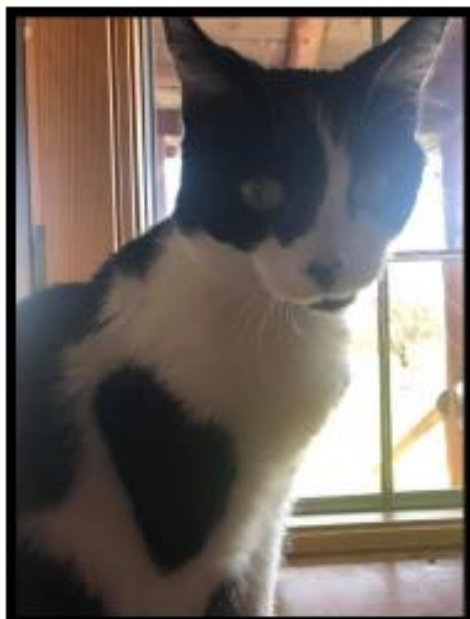

Questions and Answers

Q: Once your member information is entered into the databases at Lions International, you never have to check it again – True or False?

A: False. Things change for us all the time. Be sure to ask your Club Secretary to keep your member data up to date by providing any changes in mailing and email addresses and telephone numbers.

Q: What happens when your member data is incorrect in Lions International's member data?

A: The Mooch can't send you email or any other correspondence she might be trying to reach you with.

In Memory of our Departed Lions (as reported March 2024)

God does not seem to be concerned about the size of the talent he has given us in life, or about the grandeur of the service that we are able to offer him. He cares about the faithfulness of our service. He values the little things that are done lovingly and consistently in his name. Any service offered from a sympathetic and compassionate heart matters most.

When the heart is right and one's dedication is complete, God's response is always the same: "Well done, good and faithful servant." It is not the size of the gift or task that matters, but the size of the heart of the giver.

In memory of the one who has served with us and has been taken from us. At such a time, wealth and reputation, power and intellect are no longer of great importance. It is the lifetime of service that we honor, time spent in giving rather than receiving. In these moments we echo the words of our Lord, "Well done, good and faithful servant."

REBIRTH

Service

Please try to get all your service activities entered by April 10th. The current reporting system is changing and the new system should take effect by the middle of April.

Don't forget the Jared box packing at the District convention on April 13.

Lions and Leos take action to make our communities better. We lead with kindness, make a lasting impact and change lives.

What types of service do clubs provide?

Each club chooses how they serve to meet community needs. The types of service are:

- Service activities, such as vision screening, tree planting and serving meals
- Advocacy, which includes community awareness and education, legislation and public policy
- Donations to individuals and organizations, including Lions Clubs International Foundation
- Fundraising, when money is collected to enable service
- Service support activities, such as meetings, events and administrative tasks that enable service

How do we count the number of people served? Often, measuring service impact is straightforward. For example, if your club hosts a diabetes educational event, just count the number of people who attend. However, counting beneficiaries for activities like caring for our environment can be more challenging. If your club is planning an activity in support of Earth Day, April 22, and has questions about counting the people served.

Collecting and donating used eyeglasses. It can be difficult to know how many people are served by the donation of used eyeglasses. In some cases, used glasses are matched with a beneficiary to correct their vision, and in other cases, the materials that make up the glasses are recycled. Lions should speak with the eyeglass recycling center or partner to whom they are giving the glasses to better understand how they are used. This information will help Lions report the number of people served by their donation.

Multiple clubs serving together. Participating clubs should discuss and agree upon the approach in advance of service reporting. If one club initiated the project and did most of the planning, Lions may prefer that club report the activity. If all clubs participated equally, Lions may prefer that each club report the activity. Lions should ensure that metrics, such as people served, are not reported multiple times.

District or multiple district initiatives. Sometimes, a district or multiple district will recommend that all clubs conduct a certain type of service in a given year. For example, a district governor might request that all clubs in their district focus on diabetes screenings. Clubs that conduct diabetes screenings should still report them as individual club activities. The district governor may consider asking clubs to use a uniform naming convention, such as "2020 District Initiative: Diabetes Screening" in order to easily see which activities were a part of this initiative.

Tree planting and care. Tree planting and tree care are popular service activities conducted by Lions and Leos, however determining the number of people served from these activities can be difficult. If Lions can work with local experts to determine the number of people served,

they should report that number. If not, Lions can report the number of trees planted or cared for. Lions International will use global best practices to calculate the people served.

Activities that serve multiple causes. When reporting, select the primary cause served, or break the activity into multiple activities and report them separately. For example, if you are providing vision screening and diabetes screening at a health fair, you can report the vision and diabetes screenings as two separate activities.

Signature activities. A signature activity is a recurring activity which enables a club, district or multiple district to apply their unique strengths and abilities to meet the needs of their community. Signature activities often serve as a part of the club, district or multiple district's unique identity. Clubs, districts or multiple districts can indicate that any reported service activity is their signature activity, however this designation doesn't change the reporting process in any way.

Service reporting caps. Lions International has a responsibility to ensure the accuracy and credibility of our service reporting. For this reason, when Lions International aggregates and reports Lions service activity, we cap individual club service activities at the following levels: • 3,000 people served • 1,200 volunteer hours • \$200,000 funds donated • \$250,000 funds raised.

These caps allow Lions International to: • Remove statistical outliers with an out sized impact on metrics. • Take a conservative approach with numbers that are prone to error and miscalculation. • Reduce the reputational risk associated with reporting inflated numbers.

THANK YOU

PDG Charlie McGrew

8 Ways to Prevent Hearing Loss

Medically Reviewed by C. Nicole Swiner, MD on June 29, 2023 Written by WebMD Editorial Contributors

- 1. Avoid Too Much Noise

- 3. Limit Loud Sounds in Your Life
- 4. Wear Hearing Protection
- 5. Don't Smoke
- 6. Remove Earwax Properly
- 7. Check Medications for Hearing Risks
- 8. Have Your Hearing Tested

Many adults eventually realize they're pressing the "volume up" button on the TV remote more often, or that a lot of people around them need to speak up. While there are plenty of myths about hearing loss, there are two common reasons people start to lose their hearing:

- **Age:** As you get older, the tiny hair cells in your inner ears slowly break down and can't pick up sound vibrations as well as they used to.
- **Noise:** A lot of loud sound over time can damage the hair cells in your ears. The good news? You can do some things to avoid noise-induced hearing loss and keep age-related hearing loss from getting worse. Here are eight tips to help keep your ears as sharp as possible.

1. Avoid Too Much Noise

How loud is too loud? If you have to shout over the noise around you, it's loud enough to damage your hearing. Sounds from motorcycles, concert speakers, power tools like saws and drills, earphones, and more are all loud enough to make a difference.

2. Be a Quiet Enforcer

Think about buying appliances and devices that have low noise ratings. And if it's too loud in the movie theater, restaurant, or any other place you go often, ask the manager to turn it down. It's a good idea to carry earplugs.

3. Limit Loud Sounds in Your Life

Sometimes you can't avoid the blare of an ambulance siren or the jackhammer on your street corner. But it's best to limit the amount of time you're around them. Noise-induced hearing loss is a result of the loudness of sounds and how long you hear them.

4. Wear Hearing Protection

If you know you're going to be around loud sounds for more than a few minutes, think about wearing protection, such as:

- **Earplugs.** Usually made of foam or rubber, they go in your ear canal and can reduce noise by 15 to 30 decibels. You can buy them off-the-shelf or have them custom-made to fit you. Some earplugs lower noise levels evenly across all frequencies. They're useful for people who need to make sound quieter but undistorted, such as musicians.
- **Earmuffs.** These fit completely over your ears and reduce sounds by about 15 to 30 decibels. They have to fit tightly over both ears to block sound.
 - You can also wear earplugs and earmuffs together for even greater protection.
 - Have custom molds made for your earphones.
 - If you often listen to music on earphones using a portable music or video device, it's a good idea to have custom earphone molds made. There are relatively inexpensive custom ear molds that conform to the unique shape of your ear canal and attach to the earphone's wires. You will find the sound truly superior as the custom ear molds will block outside noise, allowing for better quality listening. A variety of

custom ear molds are available for use with earphones, while others are designed for musicians and people who are exposed to noise. Your audiologist can help you select the best style for you.

5. Don't Smoke

Tobacco can make you more likely to lose your hearing, too, research shows. So if you light up, that's one more good reason to quit. If you aren't a smoker, avoid breathing secondhand smoke.

6. Remove Earwax Properly

A buildup of wax in your ears can muffle sound. But don't use a cotton swab to clean them out -- they can push wax deeper in. Instead, use an at-home irrigation kit to soften wax and gently wash it out. If it gets compacted in your ear, your doctor may need to remove it.

7. Check Medications for Hearing Risks

About 200 drugs can damage hearing, including some antibiotics and cancer-fighting drugs. Even high doses of aspirin can harm your ears. If you take a prescription medication, check with your doctor to make sure it won't make an impact. If you must take a medication that may harm your ears, make sure your doctor checks your hearing and balance before and during your treatment.

8. Have Your Hearing Tested

Make an appointment to get a hearing test if you:

- Have close relatives with hearing loss
- Have trouble hearing conversations
- Are around loud noises on a regular basis
- Often hear ringing in your ears
- You haven't had one before

If you have some hearing loss, you can avoid getting more damage by steering clear of loud noises. If your problem is severe enough, think about a hearing aid or other treatment. Be sure to see your doctor if you have a sudden change in what you can hear that you can't explain. It could be a symptom of other serious medical problems.

Symptoms of Severe Hearing Loss

If you lose hearing, either suddenly or over time, details of conversations may become fuzzy. Sounds will become muffled and gradually fade.

Depending on the cause of your hearing loss, you may also have:

- Pain in one or both ears
- Dizziness or vertigo
- Ringing in the ears, called tinnitus
- Pressure or fullness in one or both ears

Additional Information

Normal hearing is in the range of 0 to 20 decibels. People with normal hearing are able to make out sounds as faint as human breathing, which measures about 10 decibels.

- Mild hearing loss ranges from 21 to 40 decibels.
- Moderate hearing loss ranges from 41 to 55 decibels.
- Moderately severe hearing loss ranges from 56 to 70 decibels.
- Severe hearing loss is in the range of 71 to 90 decibels.
- Profound hearing loss is greater than 90 decibels. People with severe to profound hearing loss will have trouble hearing speech, although they can make out loud sounds like a truck that backfires or an airplane taking off.

2024 Annual Pennsylvania Lions Clubs STATE CONVENTION

Thursday May 16th through Sunday May 19th, 2024

Hello Lions and Leos,

Greetings from Central Pennsylvania and the 2024 State Convention host District 14T. We have been meeting and planning for many months to provide you with a great convention experience. Enclosed are various items that you should review and share with your clubs, so they are aware of what has been planned for the 101st annual convention of Multiple District 14 – Pennsylvania, in May.

We have created a new convention newsletter this year to provide you with the full details of the convention all in one place. And we are looking forward to Multiple District 14 welcoming Lions Clubs International President Dr. Patti Hill to Pennsylvania and her theme this year, **Changing the World**.

While we have done much of the planning, the one thing we still need is you. Please take some time to review the newsletter, registration form, room reservation instructions, request for raffle baskets, and advertising contract. The new feature this year is the ability to register and pay online through the MD14 Lions website **palions.org**.

Please note the various deadlines for convention registration, room reservations and program booklet advertisements.

Stop by and see us in February in State College at the third State Council Meeting and watch for 2024 convention information on the state website, in the Pride newsletter and your District newsletters.

Contact the State Office or me with any questions.

We look forward to seeing you when you “Head to Harrisburg” in May!

PDG Pete R. Van Zandt, Chairperson
2024 State Convention Committee
petevz@msn.com

Please note: The entire newsletter can be found in the email! Just look for the State Convention box!

District 14-E Duck Race

District 14-E will be having its 3rd Annual Duck Race to raise funds for PA Lions Beacon Lodge Camp. The camp operates in the summer for those with special needs and also offers sessions for veterans and their families.

We will be selling 1000 tickets for \$5 each. Lion Jonathan Carver, from Beacon Lodge will be bringing 1000 ducks on Sunday April 21st to Yukon Lions Park and we will have our own race. There will be 4 prizes; 1st place (\$500), 2nd place (\$300), 3rd place (\$195), and last place (\$5). The remaining proceeds will be donated to the camp to assist with their financial needs for updates and maintenance that is needed to keep the camp functioning.

Yukon Lions will be having their Annual Pancake Breakfast that morning, so come out and support two great causes in one day!

Tickets have been distributed to all clubs in the District. We need everyone's support in making this a successful event.

Please contact DG Amy Thompkins to return your ticket stubs and money for your club's tickets (412-551-0327 or amoose309@yahoo.com). Please try to have the stubs and money turned in by April 1st!

Hi Fellow Lions and LEOs

We have begun planning for our Annual Knights of the Blind Golf Outing. The outing will be held at Glengarry Golf Links on Saturday, July 27, 2024. Registration starts at 1 PM and Shotgun Start at 2 PM. Cost is \$100 per golfer if registrations are post-marked by June 22, 2024. Registrations postmarked after that date through July 13, 2024 will be \$110 per golfer. Registrations include green fee, cart, soft drinks on the course, sandwich at the turn skill prizes, and dinner. The registration form is included with the newsletter.

Sponsorships are where we raise the money that is donated to the causes selected by the District Governor. Our sponsorships have been in decline for several years. We need our clubs to step up and be a sponsor for the outing and we ask that you get one business from your area to be a sponsor as well. The various levels of Sponsorships are on the Sponsorship Form. We are currently looking for a Lion to be the chair for this committee. If interested, please let Outing Chairperson PDG Tom Gregg know as soon as possible.

VDG Lisa Gismondi is chairing the Prize Committee. We already have a 22" Blackstone Tabletop grill. We are looking for ideas for both large (Big Board) prizes and for door prizes. Some possibilities include a Trex Bench, golf clubs, etc.

WE have the following Committees:

1. Secretary – DG Amy Thompkins
2. Volunteer Committee – PDG Jason Mesher
3. Hole in One Committee – Lion Mark Close
4. Basket Raffle – VDG Jeff Jordan and PID Cindy Gregg
5. Drink Committee – PDG Chuck and DG Amy Thompkins
6. Prize Committee – VDG Lisa Gismondi
7. Sponsorship Committee - ?

Please consider being a part of our team. Our next Meeting is on Thursday, February 15th at 6:30 PM. It will be at King's Restaurant in the Home Depot Plaza on Route 30.

Yours in Service,
Tom Gregg
KNOB Chairperson.

THANK YOU FOR YOUR SUPPORT!

How Our Clubs are helping our Communities to make the world a better place.....

ZONE 1

CHESTNUT RIDGE – 24 members. Feb: Chestnut Ridge did not meet in the month of January due to bad weather and poor health. We held one meeting in February and had an attendance of 8. We voted to move our meeting times to noon throughout lent so that members can visit church services on Wednesday evenings. We voted to contribute \$850 to the district projects.

GREENSBURG EAST HEMPFIELD – 10 members. Feb: Prepared for Garden Clean up and PennDOT Road Clean Up. Partnered with Rotary, Kiwanis and State Police to produce a License Plate Inspection on May 18 in Greensburg as a public service and recruiting opportunity. Planned payment to Beacon Lodge for a camper, costs have risen dramatically. Eyeglass collection continued with over 200 pairs on hand. Plastic collection continues, with changes in collection protocol, over 200 lbs. in calendar year 2024.

LATROBE-DERRY – **Feb:** 21 members, including new member Lori Falcone. Honored students of the month from Derry Area and Greater Latrobe, 2 members helped sort clothing, etc. at Torrance Hospital. **March:** 23 members, including new members Grant Nicely and Sharon Smith. Volunteered at Torrance, helped with local back packs, volunteered at Food bank, served at St Vincent DePaul shop, honored students of the month from Latrobe and Derry, purchased eyeglasses for a needy individual, volunteered at local historical societies, turned in 150 pairs of eyeglasses, collected pliable plastic for a park bench.

WCBA
VISION BEYOND THE ORDINARY
Westmoreland County
Blind Association
911 South Main St. - Greensburg, PA 15601

Since 1948, the mission of the Westmoreland County Blind Association (WCBA) has been to improve the quality of life of the blind and the visually impaired, and to assist in the prevention of blindness in Westmoreland County. In order to fulfill our mission, the WCBA offers the following services that enhance the productivity and independence of these individuals.

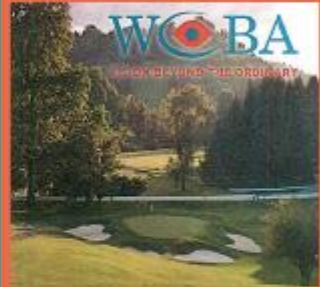

- Employment for the intellectually challenged and sight impaired in our Work Activity Center document destruction program.
- Employment for the blind and visually impaired in our Manufacturing Area. Through contracts obtained in association with the National Industries for the Blind, these employees produce products for the Department of Defense.
- Specialized Services provides assistance to the blind consumer in areas such as Chore Services, Life Skills Education, and Transportation.
- The Low Vision Center offers aids and appliances to the visually impaired that enable these clients to read printed material, watch television, and function independently. Dr. Chris Cakanac, O.D. F.A.A.D., a low vision specialist, works in conjunction with the WCBA to provide this service.
- The Prevention of Blindness Program screens 3 to 5 year old children for eye problems.
- The Custom Embroidery Department offers embroidered promotional items.

Your ongoing support of the Westmoreland County Blind Association will enable us to continue to serve the blind, sight impaired and intellectually disabled in our community.

PENNSYLVANIA LIONS' APPRECIATION DAY CELEBRATING 76 CONTINUOUS YEARS OF CAMPING SUNDAY, JULY 21, 2024

Sunday, July 21, 2024, has been designated as "Pennsylvania Lions Appreciation Day." This is the day to recognize not only Immediate Past District Governors, District Liaisons, and all Lions and Leos for their outstanding support of the Beacon Lodge Program.

As a Lion or Leo, you are cordially invited to bring your families to Beacon Lodge to join the festivities. Festivities will begin at 9:00 AM. Lunch will be served from 11:30 AM to 12:30 PM. The cost is \$10.00 per person.

Pin Traders are invited to participate – contact Jason Radmann at lionjasonradmann@gmail.com if you wish to display pins.

Clubs planning to arrange for bus transportation are urged to give the camp ample notice so adequate parking arrangements can be made. Bring lawn chairs and or blankets for seating during the camper's talent show. Certified service animals are allowed to attend if you bring the certification paper from the training entity.

We hope you will be able to visit the camp on "Pennsylvania Lions Appreciation Day" to observe what your contributions have made possible. Every Lion in the Commonwealth of Pennsylvania should be very proud of their part in making the Beacon Lodge Camp possible.

**PRE-PAID RESERVATIONS MUST BE MADE IN ADVANCE BY JUNE 30

Thank you for helping us serve!

In 1948, Lion Carl Shoemaker helped found
Vacations for the Blind, a summer camp
designed for adults with vision impairment.
Since then, the name was changed to PA
Lions Beacon Lodge Camp. The program
has also changed to include children and
adults with a wide range of disabilities. By
providing a sponsorship or joining us at the
American Legion Country Club, you will be
helping us continue our mission of
providing a summer camp experience to
our statewide community of Adults and
Children living with Special Needs

Western Pennsylvania Lions Hearing Foundation Fellowship Application

Offering Support Through The Fellowship Program

The Western Pennsylvania Lions Hearing Foundation Fellowship has been established to help provide funding for the continuance of providing hearing aids for individuals in need. By naming a person a WPLHF Fellow your contribution goes toward helping those with hearing challenges be able to once again hear and communicate with the world around them.

For a \$250.00 donation the recipient of the fellowship will receive a lapel pin and plaque indicating them as a fellow. The recipient of this award need not be a Lion. Anyone who supports the process of improving hearing can be honored with this award.

The application can be found in the Newsletter Email. Just scroll down and find the block that says “Western PA Lions Hearing Foundation Fellowship Application” and click on it.

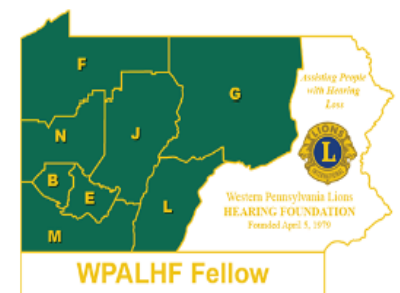

If you wish for a copy to be emailed to you, please reach out to PDG Lance Remic or myself at the following emails:

Lremic@hotmail.com | lisgis67@gmail.com

Offering Support Through A Donation

Financial support from contributors, like you, is the Foundation's only source of funds. Your contribution can help ensure that there will be adequate funding to continue providing service for deaf and hard of hearing individuals. The Foundation will also accept donated hearing aids.

If you, your Lions Club or organization would like a presentation or if you are interested in making a donation contact the chairperson (director) in your Lions District.
